

Anglo International Mining B.V.

To whom it may concern

We, Anglo International Mining B.V., Haringvliet 543, 3011 ZP Rotterdam, The Netherlands, are the owner of the AIMOL brand name and this capacity responsible for all productions of AIMOL branded products. In our capacity as producer we herewith confirm that

AIMOL Foodmax FRF 46
AIMOL Foodmax FRF 32
AIMOL Foodmax FRF 68
AIMOL Foodmax AW 100
AIMOL Foodmax AW 22
AIMOL Foodmax AW 32
AIMOL Foodmax AW 46
AIMOL Foodmax AW 68
AIMOL Foodmax AW PAO 100
AIMOL Foodmax AW PAO 22
AIMOL Foodmax AW PAO 32
AIMOL Foodmax AW PAO 46
AIMOL Foodmax AW PAO 68

These products meet the NSF International, Non-food Compounds Registration Program H1 – Lubricants with incidental food contact requirements.

These products are manufactured in accordance with the standards set by InS and NSF H-1 requirements for incidental contact with food and thus that all components are safe for humans. These products are acceptable as a lubricant, anti-rust film or release agent with incidental food contact for use in and around food processing areas in locations in which there is a potential exposure of the lubricated part to food. The amount used should be the minimum required to accomplish the desired technical effect.

For the specific or additional questions please contact our technical support department.
